## PROFESSIONAL SUMMARY

Frontend Developer specializing in Angular, TypeScript, and JavaScript with demonstrated experience building responsive, scalable web applications and user-centric interfaces. Delivered a production hotel booking platform with Razorpay payment integration, JWT authentication, and a 30% gain in user engagement. Proficient in REST API integration, UI/UX design principles, and Agile workflows. B.Tech in AI & Data Science (2026), certified in Frontend Development, UI/UX Design, and AWS.

## TECHNICAL SKILLS

| | |
|---|---|
| **Languages** | JavaScript (ES6+) · TypeScript · HTML5 · CSS3 |
| **Frameworks** | Angular · Bootstrap · Angular Material |
| **Tools** | Git / GitHub · Postman · AWS (Basic) · Docker (Basic) · Kubernetes (Basic) |
| **Integrations** | REST APIs · Razorpay Payment Gateway · JWT Authentication |
| **Database** | MongoDB (Basic) |
| **UX / Design** | Figma · Wireframing · Prototyping · Responsive Design · Mobile-First |

## PROJECTS

**Book My Hotel** — Full-Stack Hotel Booking Platform ([bookmyhotel link])

April 2025

**Stack:** Angular · TypeScript · JavaScript · HTML5 · CSS3 · Bootstrap · REST API · Razorpay · JWT · GitHub · Docker · Kubernetes

- **Boosted user engagement by 30%** through a fully responsive, mobile-first UI using Bootstrap and custom CSS.
- **Integrated Razorpay payment gateway** with 100% transaction success rate for secure end-to-end digital bookings.
- **Built a feature-rich admin panel** for real-time room management, offers, coupon configuration, and booking analytics.
- **Implemented JWT authentication & REST API integration** for secure, token-based user sessions.
- **Automated PDF invoice generation** for booking confirmations, reducing post-booking support queries.
- **Containerized with Docker and Kubernetes** for scalable, production-grade deployment.

## EDUCATION

**B.Tech — Artificial Intelligence & Data Science** — **2022 – 2026**
Karpagam Academy of Higher Education, Coimbatore, Tamil Nadu
**CGPA:7.1**

**HSC — Higher Secondary Certificate (Science Stream)** — **2021 – 2022**
Brindhavan Higher Secondary School, Pattukottai, Tamil Nadu
**Percentage:** 55.17%

**SSLC — Secondary School Leaving Certificate** — **2019 – 2020**
Brindhavan Higher Secondary School, Pattukottai, Tamil Nadu
**Percentage:** 73%
